**Eric Martin**

Dave Ramsey takes a radical approach to dealing with personal finances in today's world of easy credit and spending to keep up with the Joneses. This nine-week program is very practical and helps people dump debt, get control of their spending, and learn new behaviors about money that are founded on commitment and accountability. Married couples are encouraged to take the class together. Sign up in the foyer on Sundays. The cost for this class is \$80. Please contact Eric Martin for more information.

## **Joshua: A 12-Week Study**

**Doug Gerber**

The Book of Joshua begins with God encouraging him to be "strong and courageous" (1:9), as Joshua has been asked to lead the children of Israel following the passing of Moses. We will read of, learn of, and discuss the Israelites journey through the wilderness of Canaan. Joshua will teach us about the unfailing promises of God, about the justice of God against sin, and His great mercy toward sinners. Joshua ends with the declaration "as for me and my house, we will serve the Lord" (24:15). Come and join in the discussion as we learn from Joshua.
