## ~ Small Groups ~

**Ever since the impact of the pandemic**, most of the small groups in the church discontinued meeting and have not resumed. We believe that small groups are not only beneficial for building a sense of community but also are a means of discipleship and spiritual growth. We would like to welcome and encourage a new emphasis on utilizing small groups as part of the revitalization of our outreach and church mission. We would encourage each member to consider being part of a small group. Small groups can be an outreach tool by incorporating people new to the faith or those simply exploring a deeper faith walk. There will be a need for small group leaders in which staff support will be provided by training, equipping, and supporting the small group ministry. At this time, we invite you to be in prayer about this as a means of spiritual church growth and stronger community bonds. Look for an upcoming opportunity to sign up, start a small group yourself and pray for God's leading. If you have any questions, you can contact **Pastor Wes** or **Pastor Doug**.
